

HNZ Fundamentals of Palliative Care

Ten sessions cover all aspects of palliative care and have been developed by Hospice NZ with input from the aged residential care sector.

- Attendance at these sessions requires commitment to self-learning as well as pre and post session learning activities. Certificates are issued on receipt of the post-session reflection
- Participants who attend all 10 sessions and complete their post session reflection will be invited to a graduation and also receive a Hospice NZ badge

Target audience: Registered and unregistered staff from all healthcare sectors.

* HNZ FOPC 1 Essence of PC is a prerequisite to completing other sessions. **** Now Cancelled**

HNZ Palliative Care for Caregivers

One day training for those caring for people with palliative needs. Course explores palliative care philosophy, pain and symptom management, communication, last days of life and bereavement.

Target audience: Unregulated community based care staff and invited family caregivers.

Palliative Care Masterclass

Palliative care empowerment and confidence building from a variety of speakers.

Target audience: Health professionals who have completed HNZ Fundamentals of Palliative Care.

ARC Mini Conference

Invited speakers and ARC staff presenting posters to colleagues and peers.

Target audience: All ARC staff.

DHB Palliative Care Training

DHB - Study days to explore & embed palliative practice.

Target Audience:

Essence - DHB Nurses

Advancing * - DHB Palliative Care Resource Nurses

Intensive * - DHB Palliative Care Resource Nurses

* Bookings to Nicole.Kerr@hawkesbaydhb.govt.nz

Rural Study Days - Any health professional who has an interest in palliative care.

Breakfast Lectures

The Cancer Research Trust NZ Palliative Care Lecture Series is hosted by hospices throughout New Zealand. The lectures are delivered via teleconference with a PowerPoint presentation that the speaker takes participants through.

Target audience: Multidisciplinary with an interest in palliative care.
