

Charity Golf Tournament raises \$7,000.00 for Cranford Hospice

Held on Friday at Hastings Golf Club this annual event raised a very credible \$7,000.00

"Twenty one teams of four golfers were involved in an Ambrose Competition representing people from all over the region. A special thanks to all the sponsors involved and of course to Karamu Rotarians for staging the event. A great day was had by all." says Mike Thomson from Thomson Suits.

Cranford Hospice Event Manager, Karla Sewter says "the event went especially well with slightly more being raised than last year."

The winning team was Barry Smyth's from Hughes and Smyth Unichem Pharmacy.
